*Allowable Subject Matter*

1. Claims 1-4, 6-10, 12-17 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The present invention relates to an actuated-film display device.

Independent claims 1 and 12 identified the uniquely distinct feature: "the second critical voltage being different from the first critical voltage due to a dimensional difference between the first and the second movable film electrodes or a positional arrangement of the first and the second movable film electrodes to the first and the second fixed electrodes" as recited in claim 1, Lines 18-20 and claim 12, Lines 23-26. The closest art, APA, Otaka and Lewiner as discussed in the Office Action on 11.02.04 disclose related display, either singularly or in combination fail to anticipate or render the above underlined limitation obvious.

Claims 2-4, 6-10 depend on claim 5 and claims 13-17 depend on claim 16.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
